

Glastonbury Brewing Co – COVID 19

Our customers & employees health, safety, & wellbeing are paramount to us and we take the current Coronavirus situation extremely seriously. During the past few weeks our staff have worked to the highest possible hygiene standards delivering our fantastic range of products to you.

Unfortunately these measures are no longer enough & in line with Government advice, staying at home is imperative to slow the spread of the virus. Therefore with immediate effect Glastonbury Brewing Co will no longer deliver to customers premises until the current situation changes.

If any of our customers have questions or concerns please contact us at enquiries@glastobrewco.co.uk .

This has not been an easy decision & we hope customers will appreciate the steps we are taking. We wish our customers the very best through these challenging & difficult times. Thank you for your understanding & we look forward to resuming our service to you as soon as safe to do so, take care.

The Glastonbury Brewing Co Water Team.
